

2nd Edition of

INTERNATIONAL HEART CONGRESS

Overview

Heart Congress 2024 will re-unite over 200 experts from the world's finest research and professional institutes to discuss not only their expertise, but also their discoveries in the field. This colloquium will bring together top academicians, scientists, researchers, healthcare professionals, cardiologists, heart care specialists, students, and industry spokesperson to talk about methods for treating heart diseases, cardio medicine, paediatric cardiology, heart failure, electrocardiography, and other health issues. Speakers at this conference are well-known and knowledgeable, covering both general and niche areas of interest.

Call for Papers

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
